## Classroom Library Setup

Your classroom library is a **critical lever** in helping scholars develop an **authentic passion** for reading and **strong in-school and at-home reading habits**.

The classroom library must be **carefully organized so that it is both exciting and usable!** Give your classroom library ample space so it's the focal point of your classroom. It must look like a magical, inviting, and enticing space where scholars are excited to book-shop each week.

### Your library must include:

- Leveled books for independent reading.
- Read Aloud Library books.
- Literacy Unit/Project Based Learning books.
